DISTANCE OVERCOME BY SUCCESSFUL TREATMENT

Celebrated Herbalist successfully treats patients by mail in all parts of the world. Distance is no object to D. R. Fong. He has patients in every part of the continent. Not alone in the U. S., but in Canada and Mexico as well. Indeed his herbs extend as far on one side of the world as the Philippines and on the other to England. Grateful patients spread his fame even into these far-off places. They carry the slad tidings of health and happiness in their glowing faces and active bedies and it is a small wonder their friends and neighbors grasp at the opportunity to consult the same wonderful Herbalist.

Bocause you are far away don't hesi-

Because you are far away don't hesitate about writing to D. R. Fong and obtaining his advice about your case. Although he has met but a small percentage of his patients. D. R. Fong's system of reports is so perfect, and the attention given to each and every case is so thorough, he is able to follow exactly the effect of each and every herb prescribed.

FEMALE TROUBLE

D. R. Fong states women are suscentible to nearly every disease that afflicts man; and in addition are afflicted with many peculiar to themselves. It would appear that Nature has placed a heavy burden upon the female sex; most unfortunate, yet most true. Why this is so it is not for us to judge, but to accept the plain fact. The habits of life to which a woman must conform, her weaker physique, her domesticity, her motherhood, all conduce to bring upon her many diseases of an intimate nature. Women are endowed with the great power of suffering without complaint more pains and agonies than men, and this is the one great obstacle which must be overcome before they can be successfully cured. Women WILL suffer: It has come to be almost an axiom that a woman's portion of life must be burdened with pain, particularly if she is a wife and mother. This is wrong.

Relief cure—PERMANENT cure—is at hand. DO NOT wait for the permission of anybody.

Another thing: You do not have to submit yourself to any PERSONAL examination. The innate modesty of women must be respected; the vulsar, ostentatious and immodes; method of so-called office specialists does not apply to the method adonted by D. R. Fong.

THE FOLLOWING DISPASES VIELD. REAPILY TO D. R. FONG'S LIFE-GUIVING HERS.
